

SEA PEARLS CERTIFICATE OF *Authenticity*

This confirms that the **South Sea pearls** in **Gaura Pearls** product line are **sea-cultivated**.

Gaura Pearls guarantee:

- Pearls are marine cultivated, naturally generated in mollusks, using a nucleus as the pearl's base
- Pearls are grown in sea water on specialized farms
- Every material is chosen and examined in compliance with the internal quality standards of Gaura Pearls

This certificate is **only suitable for** items that contain **South Sea pearls**.
